

NOTICE of operation proposed under the 43 CFR 3809 surface management regulations, (operations of 5 acres or less surface disturbance).

Instructions: Complete the following in as much detail as possible. Additional sheets may be used if necessary. Use maps or sketches and/or photographs where appropriate. A review of the 43 CFR 3809 regulations should be conducted prior to your submission of this Notice or Notice Amendment to this office.

Claimant Information:

<u>Name</u>	<u>Address</u>	<u>Telephone</u>
_____	_____	_____

Is Claimant aware of your proposed activities?(Check One) Yes _____ No _____

Claim Name and BLM Serial No. (AMC #'s) _____

Location of Proposed Activity: T. _____, R. _____, Sections _____
U.S.G.S. Topographic Map _____

Proposed Period of Operation: FROM _____ TO _____

Proposed Operations:

Describe the entire proposed operation, including all surface disturbing activities, I.e., road construction or upgrading, drilling, trenching, backhoe or bulldozer exploration, mining, waste disposal, installation of temporary structures, impoundments, holding tanks, processing equipment, etc. List all mechanized earth moving equipment to be used during the operation and list any explosives or chemicals to be used. Calculate the total acreage proposed for disturbance (1 acre= 43,560 sq. ft/). Additional sheets may be used if necessary.)

Proposed Operations (cont.)

Describe Any Existing Surface Disturbance, Roads and Structures (I.e., mine and mill facilities, workings, tailings, dump area, etc.). You may wish to document disturbance existing prior to beginning work on your operation (in the form of photographs, surface maps, or testimony) in order to reduce your reclamation liability:

Proposed Reclamation: Describe your proposed reclamation procedures (I.e., recontouring, backfilling excavations, removal of structures and equipment, replacing stockpiled topsoil, etc.).

I will complete all necessary reclamation of the areas disturbed during the course of my operations to the standards described in 43 CFR 3809.1-3(d) and reasonable measures will be taken to prevent unnecessary or undue degradation of the Federal lands during operations.

Signature of Operator: _____ Date: _____

NOTICE TO OPERATORS:

1. You must notify the BLM at least 15 calendar days prior to commencing operations of 5 acres or less on BLM land. The BLM has 15 days to review the above information.
2. A notice must comply with the 43 CFR 3809 regulations. Completing all sections of this suggested format should satisfy this requirement. Incomplete notices may be returned for more information.
3. It is BLM's policy to perform a minimum of one compliance inspection per year on each notice submitted by an operator.
4. Any changes to proposed operations require the submittal of an amendment to this notice.
